

# Study Abroad

## SPAIN

### Unequal Spain within Contemporary Spanish Society

Study abroad this summer in Bilbao, Spain, recently named the Best European City! We will immerse ourselves in Spanish society as we explore racial/ethnic, social class, and immigrant-native relations from a sociological approach. Site visits could include a nonprofit working to address homelessness, Basque cultural sites, and local schools. Students will learn from guest lectures with that may focus on immigration issues, social activism, and educational inequality.

**STUDYABROAD.UNT.EDU/FL**

#### ACADEMICS

- 3 UNT Credits
- SOCI 4260

#### ELIGIBILITY

- Open to all majors
